Hopkinsville Rentuckian.

FRIDAY, FEBRUARY 15, 1880.

HOPKINSVILLE, KENTUCKY.

No election yet in the West Virgin-ia senstorial fight. The situation re-and should hasten to set itself right, ted by rare scholarship, it is to be mains unchanged.

The Courts of Louisville have deelded that the new Wallace Election ahead." Law is constitutional

The Senate Committee has not yet reported on the bill to organize the Territory of Oklahoma out of the Cherokee outlet known as "no-man's-

The official announcement wa made in the Senate Wednesday that position, to take effect March I. Af- winning wealth and fame. Harrison and Morton received 233 and Cleveland and Thurman 168 electo al votes last fall. Florida was counted after all.

"The American Tariff Reform League" has been called to meet in Chicago next Tuesday and M. C. Alford, Chairman of the State Central Democratic Committee of Kentucky, calls upon Democrats to attend.

The nomination of Hon. A. E. Stevenson to be a Judge of the Su preme Court of the District of Columbia, a life position, has been sent to the Senate, but it is not at all likely that the Senate will confirm the

The amount of money raised to ing Green was \$21,160. The last \$5,000 necessary to insure the success of the undertaking was contributed by Banker Potter, of that city, and the school will be known as the "Pleasant J. Potter College." Prof B. F. Cabell, of Cedar Bluff College. will be its president.

Governor Buckner announces that he will not be a candidate for the Senate, but will serve his term out as Governor. This is an important item of State news and the Goverdoubtless be very gratifying to Senator Blackburn, who is now the only announced candidate for the position to which he hopes to be re-elected.

The law making the head of the agriculture bureau a cabinet officer to be called Secretary of Agriculture. has been signed by the President and Norman J. Coleman, of Missouri the present Commissioner, has been 4, it is probable the Senate will compliment him by confirming his nomi-

tableaux, etc, etc. The talent employed is entirely local and the entertainments, which began Tuesday a one. The notice is short, bence it the lecturer and the lecture. They night, will continue all the week.

The city of Henderson has a bond- will entertain them profitably. rate of decrease it would tate her 28 farm topics. years to get out of debt. Hopkins- TIME AND PLACES OF MEETING-LIST ville owes, all told, \$28,500 and yet some of our past Connells have turned a willing ear to the representation that we were head over heels in debt, whenever any public improvement

When the Henderson sensation was made public here, the opinion was generally expressed that the shotgun argument should be applied to young friends permitted him to act upon his first impulses, he would have gone to Henderson Saturday night and the unfortunate affair would in all probability have ended in a trag- country good; help us. edy. That he allowed his friends to suitle the matter for him, while per- Station. haps not the most satisfactory course to his own mind, was, we are sure, the wisest action to take in the matter. The public will, after the ex. and Master of Kentucky Grange. eltement cools down, approve the cool-headed, conservative course pur- Deputy Master State Grange and sued. Here where Miss Winfree is Lecturer on Solls and Use of Fertil- distinction, but we believe he cares known, her good name has never lzers. been in Jeopardy, and Slaughter's card places her before the people of Henderson in a proper light and her Forolls, salts, pills, and all kinds of brilliant light. reputation is entirely vindicated. The affigurit of Mr. Allen Hart, of bitter, nausseons medicines, is the thready of the conference of Hendorson, also corroborates her and sustains the self-condemning statement made by Slaughter. Let us hope the matter seat an end.

For oils, saits, pills, and all kinds of bitter, nausseons medicines, is the very agracable liquid fruit remedy, Syrup of Figs. Recommended by leading Physicians. Manufactured only by the California Fig Syrup Company. For sale in 50 cents and the voting age with its last Issue.

The Owensboro Mesenger has from the very first treated the Stanghter-Winfree matter from what appeared to be a strongly biased standpoint. It accepted as true the improbable and form, the editor of The Metropolitan A live and growing cits of 8,000 inhabitants, situated in a country of 6,000. The Louwnilla and Nahritile has two lines of raily opinion and Nahritile has two lines of raily opinion and Nahritile, and review product of the country and the jecople have recently roted and the country and the jecople have recently roted and the first growing to the country and the jecople have recently roted and trails growing to the country and the jecople have recently roted and trails growing to the country and the jecople have recently roted and trails growing to the country and the jecople have recently roted and trails growing the product of the country and the jecople have recently roted for copyed have recently roted for the country and the jecople have recently roted for the country in the world. Wheat core, key country and the jecople have recently roted for copyed have recently roted for copyed have recently and the jecople have recently and the jecople have recently roted for the lash, and even after he has country and the jecople have recently roted for copyed have recently and the jecople have recently in the jecople have recently and the jecople have recently false statements of the young man, would promptly name Mr. George R nery, tanyard and many other enterprises.

Climate mild and invigorating and exceedfessions place him outsid) the pa'e of heart, his themes and his treatment

The Coffee Medical Institute was organized March ist, 1888, according to the laws of Kentucky, with \$5,000 capital, and with a full Corps of specialets, representing every branch of Medical Europey. They have since that time had 1,848 patients applying for treatment. Of that number 400 were turned away as incurable. Of the number left there have been not discharged as cured, leaving 350 patients under their treatment.

Dr. R. W. Forther represents the Department of Discusses of Women and Discusses of the Rectum and Bowels. Having many patients to this section under treatment, he has, at their substitution decided to make these visits. He treats Discusses of Women, Fall of the Lectum, Piles, Fistula, Prolapses of the Rectum, Piles, Fistula, Prolapses of the Rectum, Piles, Fistula, Prolapses of the Rectum, Piles, Fistula, Prolapses of the Rectum.
